The Hungry Heart Cafe is a socially responsible neighbourhood café and catering business located at historic Rawlins Cross, St. John's, NL. We feature the freshest local products and many house-made specialties full of flavour.

As a social enterprise initiative of Stella's Circle, the Café provides training opportunities to support those who have faced barriers to successful inclusion in the community. Some of these barriers include mental health challenges, addictions, trauma, poverty, homelessness, criminal justice involvement, low literacy, and long periods of unemployment.

We love to create unique and flavourful menus to complement your event!
